Subject: ABSAweb: Application for CM Credit #7033 has been approved

Based on the credit application provided to the ABSA Credentialing Maintenance Board (CMB), the following activity has been approved for CM points by the Board.

Activity: CONTROL OF BIOHAZARDS COURSE - 43RD YEAR
Sponsor: DR RICHARD W GILPIN LLC
Date: 02/01/2022-12/30/2022
Location: USA WORKSITES AND POSSIBLY PORTIONS ONLINE
Points: 4.5 CM points for RBP/CBSP Maintenance
CMC #: 22-2181

ABSA requires CBSPs and RBPs to maintain verification of the continuing education activities that they attend. This information will not be available on the ABSA website in the Certification Maintenance section because these points are specific to you as instructor. Should you have additional questions, please contact the ABSA Office at 847-949-1517.

Sincerely,
Su-Hwi Hung-Cunliffe, PhD, RBP, CBSP
Chair, Credentialing Maintenance Board
